EDUCATION

S.No	College/School	Degree	Year	CGPA/Percentage
1.	R.K University	B.C.A	2023	78.90
2.	Tapovan School	HSC	2020	88.77
3.	Tapovan School	SSC	2018	85.55

WORK EXPERIENCE

• Laravel Developer – Retro Developers

Rajkot | Mar 2023 – Aug 2024

- Built and optimized multiple web projects using Laravel, CodeIgniter, and PHP. - Worked on medical and taxi booking platforms, enhancing functionality with APIs and MySQL integration. - Debugged, tested, and deployed features ensuring efficient application performance. - Collaborated within a small team to deliver projects on time, gaining exposure to real-world MVC architecture.

TECHNICAL SKILLS

- **Frontend:** JavaScript, Tailwind CSS, Bootstrap, HTML5, CSS3 Good understanding
- **Backend:** PHP, Laravel, CodeIgniter, RESTful APIs
- **Database:** MySQL (queries, optimization, indexing)
- **Tools & Others:** Git/GitHub, Postman, API Testing, VS Code
- **Concepts:** OOP, MVC Frameworks, Debugging, Responsive Design

PROJECT WORK

• Medical Platform (Doctor Appointment & Health Reports)

- Developed using CodeIgniter 3 & MySQL.
- Features included doctor appointment booking, patient health report management, and API integration.
- Designed a secure database schema to store patient data efficiently

- **Cricket Auction Platform**
 - Built with Laravel & MySQL.
 - Developed real-time auction system for teams to bid, buy, and manage players.
 - Implemented player profiles, bidding history, and team management dashboard.
 - **Taxi Booking System**
 - Created using CodeIgniter 3, PHP, MySQL, Bootstrap.
 - Enabled users to rent cars/bikes with booking, schedule management, and transaction features.
-

ADDITIONAL INFORMATION

- Quick learner with adaptability to new technologies.
 - Strong problem-solving and debugging skills.
 - Ability to work independently and in collaborative team environments
 - Dedicated to writing clean, maintainable, and efficient code
-
